Introduction

Vishvprabha Ventures Limited (VVL) is a company incorporated under the companies Act in the year 1984 and has been listed since then. In the year 2018 the said company was taken over by Mitesh Thakkar (Group). Mitesh Thakkar is chartered Accountant by profession and has been in this field for over 15 years , an entrepreneurial skill of his has always been to become an industrialist himself has made him leave his professional obligation and enter in to a business field. His qualification gives him an edge over the other business leaders in the field; further being an auditor himself for most of the businesses has given him experience of almost many business verticals.

In the year 2018 immediately after being acquired VVL has entered into the contracting business of seven storied buildings in the area of Dombivali. VVL through its subsidiary is now expanding its wings into the business of food processing mainly through its subsidiary **Vishvprabha Foods Pvt Ltd**. The company has many key associates who are into Infrastructure, Finance, Manufacturing Infrastructure equipment, and Acting as Contractor for many Turnkey Projects. The company is in the process of Mobilization of Assets the company. The company is looking forward to building all the infra related assets in its subsidiary **Vishvprabha Buildcon Pvt. Ltd** which will be renting all the assets to its parent company as well as outsiders.

VISHVPRABHA VENTURES LIMITED

The funds are all currently raised by Mr Mitesh Thakkar from his personal net worth, the company is also in the process of doing the right issue from the open market; the right issue would lead to conversion of all the loans till date into equity. The company is also issuing convertible debentures to interested corporations which will be a quasi equity from the promoter's side. The whole idea is to keep adequate funding ready as a lot of opportunities are coming up in the field of infrastructure.
